

GLOBAL LOGISTIC GROUP

YOUR ULTIMATE LOGISTICS SOLUTION PROVIDER

CORPORATE PROFILE

MESSAGE FROM CEO

Global Logistics Company has phenomenally grown since its inception in the year 2008. At global logistics, our objective is to move ahead constantly, keeping pace with technology and market requirements.

This dynamic strategy has been well received by our customer's world over who have remained with us and appreciated our vision focused on their needs. Setting realistic goals and working towards with them diligently, we've introduced several innovations in our operations to remain highly competitive in the industry.

Our dedicated team of people at all offices backed by state-of-the-art infrastructure has propelled us to the forefront among Logistic companies.

Quality service without compromise is our Moto and our track record is ample testimony to the fact that we have eminently succeeded in our endeavor. With our illustrious past, we look forward to an even better future with the continuous support from our valued clients and world wide counterparts.

GLOBAL LOGISTIC GROUP.. A BRIEF INTRODUCTION

Global Logistics Company is one of the fast growing freight forwarding organization that started its journey in year 2008 at Dubai-UAE and with the help of experienced and professional team endeavors, this has become a well recognized freight forwarding concern. In order to cater the needs of the expanding world, it has come into an alliance with the representative offices at JORDAN, KSA, USA, CANADA, TURKMENISTAN and PAKISTAN. Along with this, the company is co-operating with the professional and experienced partners at EUROPE, AFRICA ,ASIA, FAR EAST ASIA, ASIA PACIFIC, NORTH AND SOUTH AMERICA. This is the result of the broad vision and right strategies of the management of the company for the growth and the development both locally as well as on international level.

The highly trained and experienced staff in the company treats each shipment, big or small, with the equal importance. Every shipment is taken as an assignment and challenge for the team members and this is handled with full attention and great enthusiasm. We work on 24/7 basis to fulfill the needs of our clients and global partners. This helps us to assist our clients and counterparts when and at whatever time required. The solutions provided by the company are for the entire benefits of the clients, that we consider our distinction amongst others.

Our consistently high quality services and cost effective solutions along with the extensive global network ensures complete control over the transportation of inbound and outbound cargo – Air & Sea while the relationship with carriers (Airlines and Shipping Lines) helps us to find out the time effective cargo movements with seamless connections to the final destinations.

The company's motto is going global being "YOUR ULTIMATE LOGISTICS SOLUTION PROVIDER"
